Dear Apostolic and Prophetic Women of God:

The WALLS OF GENDER DIVISION ARE COMING DOWN!

As chosen women of God moving deeper into apostolic and prophetic destiny for this generation, God needs **100%** of his Kingdom workforce (*male or female*) reporting for duty! On **September 29th, 30th and October 1st** we will host our strategic three (3)-day international women's conference: ***Apostolic Woman in Her Season of Release™ (AWSR)*** at the beautiful ***Four Points by Sheraton Hotel at BWI Airport*** in Baltimore, Maryland. Our flyer is attached with all of the information you will need to register and plan to join us.

The **AWSR** is a pioneering project shedding much revelation on the restored Biblical patterns for women in the scriptures. The project endeavors to undergird and strengthen the end-time company of women functioning in the apostolic and prophetic grace—particularly women serving on the front lines of global Kingdom movement impacting nations around the world. ***It's time for the wall of gender to come down!*** Our theme this year is "***The Head Crushers Anointing***" taken from the ancient text in ***Genesis 3:15***. Here we find the Lord declares the strategic assignment of the woman -- that she would bring forth in the earth the "***holy seed***" (*Jesus Christ*) that would ultimately "***CRUSH***" the head of Satan. ***Hallelujah!*** This ancient warfare (*enmity*) between the seed of the woman and the satanic system is about to be settled, as the end-time company of women fully awaken to their redemptive purpose in the restored patterns of glory in the full restorations of Jesus Christ.

We are expecting a wonderful collaboration of Kingdom women from several states and a very special team of intercessors from the nation of Uganda to join us. ***Please mark your calendar*** now for this "transforming" 3-day international gathering, ***September 29th, 30th & October 1st***. We look forward to having you with us for this empowering encounter weekend for the ***AWSR 2011 Move***, as God's "***lady sons***" awaken to their ultimate Kingdom destiny in the ***Head Crusher's Anointing!*** ***Pastors, Ministry Leaders, Intercessors, Men--ALL ARE WELCOME—See you Here!***

In ***His*** global service,
